Ciudad del Carmen, Campeche.- As part of its joint efforts to meet the needs of the population in Ciudad del Carmen that was affected by the squall on June 9, Grupo Cotemar has donated 150 blankets to the DIF in that city.

The donation was delivered to the president of the DIF in Ciudad del Carmen, Viridiana Suárez de Rosas, and will be used to benefit more than 30 families in Colonia Manigua whose homes were damaged either by floods or because the roof fell from the structure.

“Because we are part of this community, we are committed to its well-being. Therefore, we are working with municipal authorities to join efforts to protect the population,” said an internal source of Cotemar.

Cotemar is a socially responsible company, committed to improving the quality of life of its employees and of the communities where it operates.
