

## **Lifting de México obtains the ESR award.**

September 4th of 2023.

Mexico City, Mexico.- For the fourth consecutive year, Servicios de Extracción Petrolera Lifting de México has obtained the ESR Award (Socially responsible Company), award granted in our country by Centro Mexicano para la Filantropía (Cemefi), for complying with the standards of the new accreditation model under the Environmental, Social and Governance (ESG) criteria.

This award is based on a rigorous diagnostic process of various areas of the company, which is verified by Cemefi, and is endorsed annually to maintain the culture of corporate responsibility in force. The ESR Award accredits the company before its collaborators, investors, clients, authorities and society as an organization publicly committed to social responsibility.

This is how work carried out by Lifting de México is supported by implementing social responsibility in its policies and processes, promoting the culture of sustainability, governance and environmental protection, respecting its collaborators' rights, as well as meeting the needs and expectations of interest groups.

### **About Servicios de Extracción Petrolera Lifting de México, S.A. de C.V.**

Lifting, a company from Grupo Cotemar, is a 100% Mexican onshore hydrocarbon exploration and production company with experience, efficient and safe operating processes. Lifting was created to promote the development of the energy sector in Mexico; under bidding processes organized by the National Hydrocarbons Commission (CNH), two license contracts were awarded for the extraction of hydrocarbons in the Cuichapa Poniente and Paso de Oro fields, located in the state of Veracruz. Lifting significantly contributes to the rescue of oil sovereignty.
